Ongoing additional fees payable to third parties

Utility charges

Electricity, gas and water utilities are all payable by individual residents. Electricity

and gas providers are chosen by the resident, the water provider is Bristol Water.

Council tax

All residents are responsible for paying council tax directly to the council. This is by far the most efficient way of ensuring that any possible allowances are accessible by residents.

Freeview and satellite TV

All homes at The Chocolate Quarter are connected to a central TV and satellite system, negating the need for multiple aerials and dishes. It is the residents' responsibility to pay for their own satellite TV service. Residents do not need to pay for a TV licence as there is a communal arrangement.

Internet

Residents at The Chocolate Quarter have access to their own site-wide Wi-Fi. This service is free, however there are limitations. Residents may wish to secure their own service through a preferred provider.

Insurance

Our insurance responsibility

The St Monica Trust arranges and maintains insurance cover for buildings, public liability and employer's liability. Residents contribute to the cost through the Service charge.

Residents' insurance responsibility

The lease obliges residents to obtain contents insurance for their home. This should also cover the costs for alternative accommodation should they need to move out of their apartment for any period of time.

Surrender and regrant of the lease

The transaction must proceed by way of surrender and regrant of the lease. Womble Bond Dickinson will issue draft surrender documents to the outgoing resident's solicitor and a draft lease and agreement for lease to the incoming resident's solicitors. The outgoing and incoming residents will not be required to contract directly with each other.

Charges when leaving or selling an apartment

When the time comes for the resident/s St Monica Trust does not apply any administration or legal fee for sale.

Residents will need to instruct a solicitor to handle the legal side of the surrender.

Equity Participation Lease

This lease attracts a *surrender fee* of 2% for each full or part year of ownership (capped at 10%) and is calculated against the resale price of the apartment.

As soon as the new buyer completes the purchase the Trust will make arrangements to return the funds *less the surrender fee* to the outgoing resident via their solicitor.

Residents will continue to pay the Service charge and for utilities such as Council Tax and electricity bills until the new buyer completes their purchase.

An illustrative example of an Equity Participation lease can be found in **'The Chocolate Quarter - A Guide to Fees and Other Important Information'**.

Residency and Sub-letting

In any one year, residents must spend a minimum of six months living in the property and must provide notice if they are absent for more than six months.

Sub-letting is not permitted.

Sinking Fund

The Sinking Fund, which contributes to future planned building maintenance costs, is funded from the Surrender fee.

The fund's current balance at the end of December 2022 was £2,540,054. This figure will grow as/when properties are re-sold.

Restrictions on buyers

Buyers must be at least 55 years of age to purchase a property at The Chocolate Quarter. Buyers can be younger than this providing they have a care need. Only the buyers themselves can live in the property.
